

Call for papers

The journal *Carnets de Recherche de l'océan Indien* seeks to publish papers relevant to different but complementary disciplines (history, literature, linguistics, geography, law, and economics) focussing on Indian Ocean societies. For the second issue, *Carnets de Recherche de l'océan Indien* aims at intersecting diverse fields of investigation and showcase specialized knowledge.

We expect articles which develop reflexions on the Indian ocean and its islands, its border countries, as well as its regional, local or global clusters.

Proposals of a page are to be sent before the 15th of March 2018:
